

2009 President's Tour
Water Wonderland Chapter - ACBS
Saturday May 9, 2009

This year we are very fortunate to again be invited to tour Tom and Charlotte Mittler's boat houses. These unique structures were designed to maximize the storage capacity so they would conform to strict zoning regulations.

This collection contains the work of some of the finest runabout and race boat designers. "Baby Bootlegger" lives here.

After touring the boat houses we will take a short drive to hopefully see Lock Pat II. This famous Hacker designed boat is scheduled to be back from the restoration shop.

Time:

Boat Houses - 1:30 - 3:00p 11046 Harbor Dr.
Second location - 1801 Hov Aire Dr.
Three Rivers, Mi 49093

Plan now to join us for a great day!

Please RSVP by May 1 to Gerry VandeVusse at 517-655-2491 or
GerryWBoat@aol.com
